<b>CORPORATE STRATEGY</b>									
JCORREVESS1	Corporate Strategy	Revenue funding is required to pay for a storage facility for the bins that we hold ready for delivery as and when they are needed. The current storage facility is at Culham and costs £60,000 which is split 50/50 across both councils. We do not have any budget to pay for storage next year and so a growth bid is needed.	Joint	30,000	Ongoing	30,000	30,000	30,000	30,000
SCORREVESS1	Corporate Strategy	The contract that we have with Biffa incentivises good performance through the use of bonus payments. There is not enough budget to pay the rectification of missed bins bonus in 2012/13 and this bid addresses that.	South	25,000	Ongoing	25,000	25,000	25,000	25,000

<b>PLANNING</b>									
JPLAREVESS1	Planning	As part of the FFTF programme £107,645 South savings are due to be delivered for 2012/13. Although some savings have been achieved, due to a combination of IT capacity, councillor views and practical issues there is both a delay and a reduction in the deliverability of the profiled savings for 2012/13.
