

<b>10S37 – Revised Schedule 1</b>		
<b>Description of tree(s) and their location;</b>		
<b>Tree no.</b>	<b>Species</b>	<b>Location (inc grid ref' for tree(s)/group/area</b>
T1	Ash	Situated within the western area of the parcel of land known as Didcot Girls School, Manor Road, Didcot as shown on the attached plan at grid reference SU 5125 9011
T2	Ash	Situated within the north western area of the parcel of land known as Didcot Girls School, Manor Road, Didcot as shown on the attached plan at grid reference SU 5137 9013
T3	Cherry	Situated within the north western area of the playing field within the parcel of land known as Didcot Girls School, Manor Road, Didcot as shown on the attached plan at grid reference SU 5142 9010
T4	Pine	Situated adjacent to the north eastern boundary of the parcel of land known as Didcot Girls School, Manor Road, Didcot as shown on the attached plan at grid reference SU 5167 9017
T5	Apple	Situated within the north eastern area of the parcel of land known as Didcot Girls School, Manor Road, Didcot as shown on the attached plan at grid reference SU 5161 9010
T6	Apple	Situated within the north eastern area of the parcel of land known as Didcot Girls School, Manor Road, Didcot as shown on the attached plan at grid reference SU 5162 9010
T7	Whitebeam	Situated within the north eastern area of the parcel of land known as Didcot Girls School, Manor Road, Didcot as shown on the attached plan at grid reference SU 5163 9009
T8	Blue Cedar	Situated within the north eastern area of a small parcel of land within the south western area of the parcel of land known as Didcot Girls School, Manor Road, Didcot as shown on the attached plan at grid reference SU 5136 9003
T9	Sycamore	Situated within the south eastern area of a small parcel of land within the south western area of the parcel of land known as Didcot Girls School, Manor Road, Didcot as shown on the attached plan at grid reference SU 5136 9001
T10	Weeping Willow	Situated within the southern area of a small parcel of land within the south western area of the parcel of land known as Didcot Girls School, Manor Road, Didcot as shown on the attached plan at grid reference SU 5135 9001
T11	Maple	Situated within the south western area of a small parcel of land within the south western area of the parcel of land known as Didcot Girls School, Manor Road, Didcot as shown on the attached plan at grid reference SU 5134 9001
T12	Liquidamber	Situated within the north eastern area of a small parcel of land within the south western area of the parcel of land known as Didcot Girls School, Manor

		Road, Didcot as shown on the attached plan at grid reference SU 5133 9004
T13	Whitebeam	Situated within south western area of the parcel of land known as Didcot Girls School, Manor Road, Didcot as shown on the attached plan at grid reference SU 5139 9001
T14	Oak	Situated within the southern area of the parcel of land area known as Didcot Girls School, Manor Road, Didcot as shown on the attached plan at grid reference SU 5148 9000
T15	Pine	Situated on the western side of the car park area adjacent to the boundary within the parcel of land known as Didcot Girls School, Manor Road, Didcot as shown on the attached plan at grid reference SU 5161 9002
T16	Sycamore	Situated on the south western side of the car park area within the parcel of land known as Didcot Girls School, Manor Road, Didcot as shown on the attached plan at grid reference SU 5165 8998
T17	Liquidamber	Situated on the western side of the car park area within the parcel of land known as Didcot Girls School, Manor Road, Didcot as shown on the attached plan at grid reference SU 5164 9000
T18	Dawn Redwood	Situated on the western side of the car park area within the parcel of land known as Didcot Girls School, Manor Road, Didcot as shown on the attached plan at grid reference SU 5164 9001
T19	Birch	Situated on the southern side of the car park area within the parcel of land known as Didcot Girls School, Manor Road, Didcot as shown on the attached plan at grid reference SU 5166 8997
G1	A group of trees consisting of 13 Poplar, 12 Birch, 4 Oak (some multi-stemmed), 1 Hornbeam and 4 Poplar	Situated along the southern and western boundaries of the parcel of land known as Didcot Girls School, Manor Road, Didcot as shown on the attached plan between grid references SU 5128 900 and SU 5124 9007
G2	A group of trees consisting of 6 Birch	Situated along the northern boundary of the parcel of land known as Didcot Girls School, Manor Road, Didcot as shown on the attached plan at grid reference SU 5128 9012
G3	A group of trees consisting of 4 Ash and 4 Maple	Situated within the north western area of the parcel of land known as Didcot Girls School, Manor Road, Didcot as shown on the attached plan at grid reference SU 5131 9012
G4	A group of trees consisting of 3 Birch	Situated along the northern boundary of the parcel of land known as Didcot Girls School, Manor Road, Didcot as shown on the attached plan at grid reference SU 5132 9013
G5	A group of trees consisting of 27 Birch, 9 Poplar, 5 Maple, 2 Cherry and 3 Lime	Situated along the northern boundary of the parcel of land known as Didcot Girls School, Manor Road, Didcot as shown on the attached plan at grid reference SU 5152 9016

G6	A group of trees consisting of 3 Horse Chestnut, 3 Whitebeam, 1 False Acacia, 1 Hawthorn and 5 Maple	Situated within the south eastern area of the parcel of land known as Didcot Girls School, Manor Road, Didcot as shown on the attached plan at grid reference SU 5160 9004
G7	A group of trees consisting of 1 Maple and 2 Whitebeam	Situated within the south eastern area of the parcel of land known as Didcot Girls School, Manor Road, Didcot as shown on the attached plan at grid reference SU 5158 9005
G8	A group of trees consisting of 21 Maple and 1 Whitebeam	Situated along the southern boundary of the playing fields within the parcel of land known as Didcot Girls School, Manor Road, Didcot as shown on the attached plan at grid reference SU 5149 9005
G9	A group of trees consisting of 2 London Plane	Situated within the south eastern area of the parcel of land known as Didcot Girls School, Manor Road, Didcot as shown on the attached plan at grid reference SU 5156 9005
G10	A group of trees consisting of 2 London Plane	Situated within the south eastern area of the parcel of land known as Didcot Girls School, Manor Road, Didcot as shown on the attached plan at grid reference SU 5156 9004
G11	A group of trees consisting of 2 London Plane	Situated within the south eastern area of the parcel of land known as Didcot Girls School, Manor Road, Didcot as shown on the attached plan at grid reference SU 5157 9004
G12	A group of trees consisting of 3 Maple and 2 Whitebeam	Situated within a central area of the parcel of land known as Didcot Girls School, Manor Road, Didcot as shown on the attached plan at grid reference SU 5140 9006
G13	A group of trees consisting of 1 Lime, 4 Birch, 2 Thorn, 3 Beech, 3 Cherry and 1 Ash	Situated along southern boundary of the parcel of land known as Didcot Girls School, Manor Road, Didcot as shown on the attached plan at grid reference SU 5142 8998
G14	A group of trees consisting of 2 Beech, 2 Willow, 1 Larch, 1 Birch, 2 Whitebeam and 1 Thorn	Situated along southern boundary of the parcel of land known as Didcot Girls School, Manor Road, Didcot as shown on the attached plan at grid reference SU 5149 8999
G15	A group of trees consisting of 2 Whitebeam and 4 Birch	Situated along southern boundary of the parcel of land known as Didcot Girls School, Manor Road, Didcot as shown on the attached plan at grid reference SU 5155 9002
G16	A group of trees consisting of 4 Birch	Situated along southern boundary of the parcel of land known as Didcot Girls School, Manor Road, Didcot as shown on the attached plan at grid reference SU 5155 9002
G17	A group of trees consisting of 5 Apple	Situated on the eastern side of the car park area within the parcel of land known as Didcot Girls School, Manor Road, Didcot as shown on the attached plan at grid reference SU 5169 9001
G18	A group of trees consisting of 2 Beech (multi-stemmed)	Situated on the western side of the car park area within the parcel of land known as Didcot Girls School, Manor Road, Didcot as shown on the attached plan at grid reference SU 5163 9003

W1	Comprising mainly of Birch, Ash and Sycamore	Situated within the south east area beyond the car park within the parcel of land known as Didcot Girls School, Manor Road, Didcot as shown on the attached plan at grid reference SU 5164 8995
