7. Motions under Council procedure rule 41

The chairman has agreed to take the following motion from John Cotton, Leader of the council, as an urgent item. The reason for urgency is to invite Council to consider the motion prior to the next Oxfordshire Growth Board meeting, responding to a request from the Local Enterprise Partnership and other partners that the council is able to do so in order to be in a position to better engage with Government to address issues arising from the Local Growth Fund submission.

‘This Council endorses the work of Oxfordshire's Local Authority Leaders and the Local Enterprise Partnership through the Oxfordshire Growth Board to explore the opportunity for transformational changes in service delivery across a range of areas including, but not exclusively: infrastructure, skills, economic development, strategic spatial planning, public assets, business rates, health and social care.

In order to support the achievement of significant improvement in the provision of local services, this Council confirms its support for a review of the future functions of the Oxfordshire Growth Board, which should include an assessment of the merits of establishing a mayoral combined authority for Oxfordshire.’
