159 P14/S3846/FUL - Land to the rear of Landfall, St Andrews Road, Henley-on-Thames

The committee considered application P14/S3846/FUL to erect a four bedroom detached dwelling with new access off Auton Place on land to the rear of Landfall, St Andrews Road, Henley-on-Thames (plot 2).

The planning officer reported that, since the publication of the agenda, one further neighbour objection had been received, reiterating issues already addressed within the report.

David Silvester, a representative of Henley Town Council, spoke objecting to the application.

Ian Curtis, a local resident, spoke on behalf of residents of Auton Place objecting to the application.

Jeremy Spratley, the applicant's agent, spoke in support of the application.

Jennifer Wood, a local ward councillor, spoke objecting to the application.

Contrary to the officer's recommendation to approve the application, the committee did not agree that the proposal was of an appropriate density or design and would therefore be out of keeping with the area.

A motion moved and seconded, to refuse the application, was declared carried on being put to the vote.

RESOLVED: to refuse planning permission for application P14/S3846/FUL on land to the rear of Landfall, St Andrews Road, Henley-on-Thames (plot 2), for the following reasons:

That the proposed dwelling, by reason of its scale, design and parking arrangements, would result in a development that is cramped and out of keeping with Auton Place. Furthermore, in combination with the proposed development on the adjoining plot (application P14/S3845/FUL) the development would further detract from the character and appearance of the site and its immediate surroundings. As such, the proposal is contrary to policy CSQ3 of the South Oxfordshire Core Strategy, policies G2, D1 and H4 of the South Oxfordshire Local Plan 2011 and Government guidance in the National Planning Policy Framework.

Contrary to the officer's recommendation to approve the application, the committee did not agree that the proposal was of an appropriate density or design and would therefore be out of keeping with the area.

RESOLVED: to refuse planning permission for application P14/S3846/FUL on land to the rear of Landfall, St Andrews Road, Henley-on-Thames (plot 1), for the following reasons:

That the proposed dwelling, by reason of its scale, design and parking arrangements, would result in a development that is cramped and out of keeping with Auton Place. Furthermore, in combination with the proposed development on the adjoining plot (application P14/S3846/FUL) the development would further detract from the character and appearance of the site and its immediate surroundings. As such, the proposal is contrary to policy CSQ3 of the South Oxfordshire Core Strategy, policies G2, D1 and H4 of the South Oxfordshire Local Plan 2011 and Government guidance in the National Planning Policy Framework.

161 P14/S3261/FUL - Tesco Store 359, Reading Road, Henley-on-Thames, RG9 4HA

The committee considered application P14/S3261/FUL to remove Condition 24 of application P92/S0516/O, to allow for unrestricted deliveries to the store throughout the week at Tesco Store 359, Reading Road, Henley-on-Thames, RG9 4HA.

The planning officer reported that, since the publication of the agenda, an amendment has been made to the report to include South Oxfordshire Local Plan 2011 policy E5 (Business, industrial, warehousing and storage proposals) to the consideration of the application.

David Silvester, a representative of Henley Town Council, spoke objecting to the application.

Tim Rutter, a local resident, spoke objecting to the application.

Louise Ford, a Tesco representative, spoke in support of the application.

Jennifer Wood, a local ward councillor, spoke objecting to the application.

Contrary to the officer's recommendation to approve the application, the committee did not agree that the proposal would not detract from the residential amenity of the neighbouring properties.

A motion moved and seconded, to refuse the application, was declared carried on being put to the vote.

RESOLVED: to refuse planning permission for application P14/S3261/FUL at the Tesco Store 359, Reading Road, Henley-on-Thames, for the following reasons:

That having regard to the proximity of the service yard to existing residential properties in Mill Lane, a variation of condition 24 to allow for an extension of delivery times, would detract from the residential amenity of residents of those properties by reason of noise disturbance. As such, the proposal is contrary to policies EP2 and E5 of the South Oxfordshire Local Plan and Government guidance in the National Planning Policy Framework.

David Richens and Ros Varnes, two local residents, spoke objecting to the application.

Thomas Rumble, the applicant's agent, spoke in support of the application.

Paul Harrison, one of the ward councillors, spoke objecting to the application.

Whilst councillors agreed there is room for a property on the site, they were concerned that the proposal is too large and would therefore be out of keeping with the street scene.

A motion moved and seconded to grant planning permission in accordance with the officer's recommendation, on being put, was declared lost.

A motion moved and seconded, to refuse the application, was declared carried on being put to the vote.

RESOLVED: to refuse planning permission for application P14/S3419/FUL on land adjacent to 31 Woodlands Road, Sonning Common, for the following reasons:

1. The proposal by reason of its size in relation to the plot, design and layout of the car parking areas would result in a cramped form of development that would be out of keeping with the character of the area and appearance of the street scene contrary to policies CSR1 and CSQ3 of the South Oxfordshire Core Strategy 2027 and policies D1, G2 and H4 of the South Oxfordshire Local Plan 2011.
