7 Petition - Wallingford Bridge

The council has received the following petition signed by in excess of 1,500 people:

“We believe that closing Wallingford bridge to traffic would cause irreparable damage to businesses in the town and lead to increased rather than reduced atmospheric pollution. A solution which leads to more vehicle miles (as travellers access the town through Winterbrook or down Wantage Road) and to increased idling time because of the congestion on both those roads (both of which are

effectively single-carriageway for much of their length due to residential parking) is unlikely to reduce emissions, merely to displace them. We ask SODC Councillors not to proceed with this scheme but to investigate alternatives such as a one-way system which would reduce vehicle idling times everywhere in the town”.

The council’s Petition Scheme states the following regarding petition debates at Council meetings:

When petitions containing more than 500 signatures are submitted, the petition organiser will be given three minutes to present the petition and the petition will then be discussed by councillors. Council will decide how to respond to the petition at this meeting.

In response to a petition, Council may decide to

- take the action the petition requests;
- not to take the action requested for reasons put forward in the debate;
- to refer the matter to Cabinet or the relevant committee and decide whether to make recommendations to inform that decision.

Any Council recommendation will be reported to the General Licensing Committee as the body responsible for the consultation on the Low Emissions Strategy.

8 Petition - Didcot Garden Town

The council has received the following petition signed by in excess of 2000 people:

“Please promise to protect all of Didcot’s green spaces, paths and amenities on Ladygrove from loss, shrinkage or relocation through future development”.

The council’s Petition Scheme states the following regarding petition debates at Council meetings:

When petitions containing more than 500 signatures are submitted, the petition organiser will be given three minutes to present the petition and the petition will then be discussed by councillors. Council will decide how to respond to the petition at this meeting.

8 Councillors' allowances scheme

Council considered the report of the head of legal and democratic services and the recommendations of the Joint Independent Remuneration Panel on a revised councillors' allowances scheme to run from 1 April 2017.

Mr Cotton moved and Mr Turner seconded a motion to accept the recommendations of the Joint Independent Remuneration panel subject to:

- a. no membership threshold on the payment of the special responsibility allowance to the Leader of the main opposition group;
- b. the addition of a special responsibility allowance of £1,390 for the chairman of the Community Grants Panel;
- c. the addition of a special responsibility allowance of £1,390 for the chairman of the Community Governance and Electoral Issues Committee;

Council agreed that the leader of the opposition fulfils a valuable role irrespective of the number of members of the group and as such there should not be a membership threshold on the payment of a special responsibility allowance. The role of the chairman of the Community Grants Panel is responsible for the council's high profile revenue and capital grants schemes which are of great importance to communities within the district. The panel considers multiple rounds of grants applications and is responsible for bringing forward recommendations on and implementing changes to our grants policies and as such the post of chairman should attract a special responsibility allowance. The post of chairman of Community Governance and Electoral Issues Committee should be treated as one of the council's main committees. In light of the unitary bid there will be a need to review the role of the committee to include wider local government reorganisation issues. If the unitary bid proposals proceed, this will include implementation issues such as the role of the area executive boards.

Mr Cotton, leader of the council, advised that officers had removed information from the website that provided details of individual councillor feedback. Officers would discuss the matter with South East Employers and ensure any comments provided at future reviews remained confidential.

Mrs Murphy, deputy leader of the council, stated that she intended to waive part of her deputy leader's allowance in the current financial year in order to meet the cost of the additional special responsibility allowances set out in b and c of the above motion.

RESOLVED: to

1. accept the recommendations of the Joint Independent Remuneration Panel subject to the following changes:
 - a. no membership threshold on the payment of the special responsibility allowance to the Leader of the main opposition group;
 - b. the addition of a special responsibility allowance of £1,390 for the chairman of the Community Grants Panel;

- c. the addition of a special responsibility allowance of £1,390 for the chairman of the Community Governance and Electoral Issues Committee;
2. to agree that the additional allowances be met from contingency if they cannot be met from existing budgets;
3. authorise the head of legal and democratic services to finalise a councillors' allowances scheme based on the decision in 1 and to make any consequential amendments to the constitution;
4. agree that the revised scheme should apply from 1 April 2017 but that any reductions will take effect from 19 May 2017; and
5. thank the members of the Independent Remuneration Panel for their work in reviewing the councillors' allowance scheme.

9 Review of the council's constitution

Council considered the report of the head of legal and democratic services and monitoring officer on proposed amendments to the council's constitution.

David Turner, a member of the Joint Constitution Review Group, introduced the recommendations as agreed by the review group and thanked officers for their work in producing a streamlined constitution.

RESOLVED: to

1. agree to include a three minute restriction on the length of each public question or statement at the Scrutiny, Joint Audit and Governance, General Licensing, Licensing Acts and Joint Staff Committee;
2. agree that at special meetings questions and statements from members of the public must relate to the item due to be discussed;
3. amend delegation 1.1 (c)(iii) and 1.6 to the head of planning as set out in paragraphs 8, 9 and 11 of the report of the head of legal and democratic services and monitoring officer to Council at its meeting on 18 May 2017;
4. include the delegation to the relevant head of service in respect of ward councillor budgets in the council's constitution as set out in paragraph 12 of the report of the head of legal and democratic services and monitoring officer to Council at its meeting on 18 May 2017;
5. authorise the head of legal and democratic services to update the constitution to reflect any changes in staff responsibilities;
6. authorise the head of legal and democratic services to make any minor or consequential amendments to the constitution for consistency and to reflect the councils' style guide.

10 Extension of term of office of independent persons for code of conduct matters

Council considered the report of the head of legal and democratic services and monitoring officer on an extension to the term of office for one of the council's independent persons.

RESOLVED: to authorise the monitoring officer to extend the term of office of George Green, one of the council's independent persons for code of conduct matters, to 30 September 2019.

11 Report of the leader of the council

The leader of the council announced the departure of Anna Badcock and Will Hall from the Cabinet and the appointment of Felix Bloomfield and David Nimmo-Smith to the Cabinet. He placed on record his thanks to Anna Badcock and Will Hall for their hard work.

He advised Council of the following portfolios:

John Cotton: Leader, corporate strategy, communications and strategic policy (including local plan)

Felix Bloomfield: development management and building control

Elizabeth Gillespie: community safety, legal, democratic services, electoral services, licensing and grants

Tony Harbour: technical services (including environmental health, grounds maintenance and waste)

Lynn Lloyd: leisure services, arts and housing

Jane Murphy: Deputy Leader and finance

David Nimmo-Smith: 5 councils partnership and corporate services contracts, IT and HR

Robert Simister: development and regeneration including property, economic development, Didcot Garden Town and Berinsfield

He also advised that Elizabeth Gillespie would be the council's representative on both the Safer Oxfordshire Partnership Oversight Committee and South and Vale Community Safety Partnership.

He advised that, due to the forthcoming parliamentary election, there would be a delay in a decision on the single unitary council for Oxfordshire. In response to a question, he anticipated progress being made on the future use of the former Crowmarsh council office site once a decision had been reached on the single unitary council for Oxfordshire bid.

12 Adjournment

RESOLVED:

The Council adjourned at 6.35pm.

The Council reconvened at 6.40pm.

Mr Lokhon was nominated as vice-chairman for the 2017/18 municipal year.

RESOLVED: to appoint Mr Lokhon as vice-chairman of the council for the 2017/18 municipal year.

The meeting closed at 6.45pm

Chairman
