Subject: Local Plan - Bayswater and Wick Farm

Dear Scrutiny Committee

I am writing to you as a resident of Bayswater Road (Greenacre, OX3 9RZ) to object about the proposal to include Bayswater and Wick Farm in the list of sites as "preferred options" in the redrafted local plan.

I wish to remind you that both sites were rejected by SODC and that 'exceptional circumstances do not exist for the release of this site from the Green Belt' as set out in the September 2017 document *South Oxfordshire Local Plan Sustainability Appraisal of the Publication Version of the Local Plan Final Report for Consultation*.

The same factors that determined the sites rejection exist some 14 months later and I fail to see what has changed in that time that could reverse the decision and I would ask you to exclude these sites from any revised list of preferred options for development.

Yours sincerely

Paul Smith
