

Oxfordshire Housing and Growth Deal Infrastructure Programme

Oxfordshire Growth Board Scrutiny Panel

The Challenge

Oxfordshire is thriving. Over the past decade, our cumulative growth has been higher than any other local area.

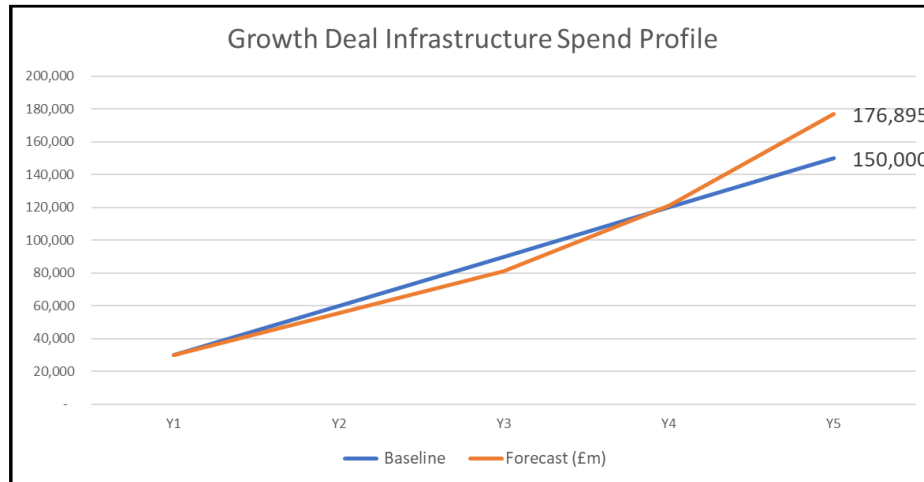

However, investment in infrastructure has not kept up. Adding pressure to the existing physical and social infrastructure.

The Oxfordshire Infrastructure Strategy (OXIS)

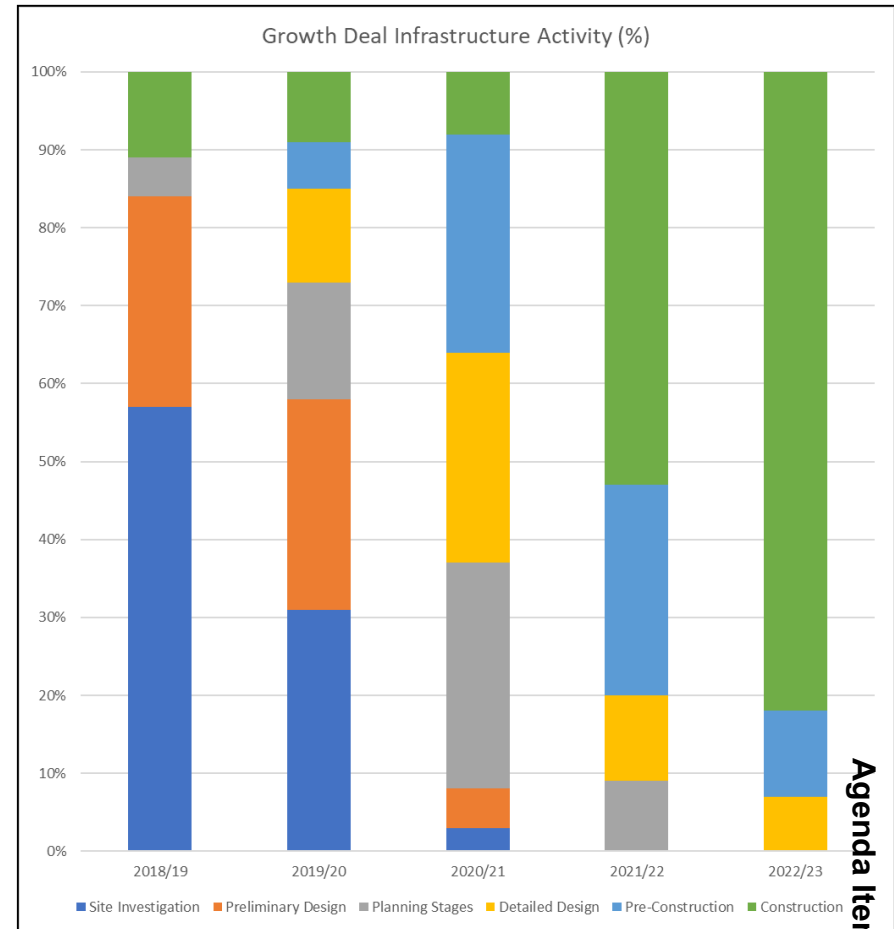

Growth Deal Investment in infrastructure

- Spend for Year 1 was £30m as planned
- 17 Year One schemes commenced as planned and on target for successful delivery
- Oxfordshire Infrastructure Strategy review underway
