

Statements in respect of application P19/S2005/FUL

The Morning Star, 98 Papist Way, Cholsey OX10 9QL

Chris Brown

Thank you for letting us know you will be recommending approval of the above planning application at the meeting on 1 July 2020.

You have referred to the residents' fears and concerns in your report. And yet, despite all you have heard from us, you have decided that it would be appropriate to recommend approval. Why? How?

All the objections from the residents centre on the fact that we do not want a social club with a function room, a stage and loudspeakers, with associated noise and disturbance, as our neighbours. A village pub is an asset. A social club, as it now is, is tolerable with goodwill on our side.

This proposal will take the social club to another level.

Please, imagine this social club and unneighbourly intended development is the other side of your garden fence. Would you want the planning officer to recommend approval?

Further, I am infuriated that this matter is being considered during a period when the objectors are not able to attend the meeting. It should be postponed until we can come in person and have the opportunity to speak to the members.
