20 Chairman's announcements

The Chairman welcomed Mr Christopher Quinton back to the council following treatment for an illness.

21 Questions from the public and public participation

The Chairman reported that Mr Healy would address Council as organiser of the Didcot Wave petition. With Council's agreement she took this item as the next item of business.

22 Petition debate - Didcot Wave

In accordance with the council's Petition Scheme that provides for a Council debate of petitions containing more than 1,500 signatures, Council considered a petition handed in to "register opposition to South Oxfordshire District Council's intention to close the Didcot Wave pool and gym to pay for the new sports facility to the North East and agree that it is essential the Wave stays open to serve the residents of the older established areas of Didcot".

Mr Healy, the petition organiser, addressed Council on the petition and urged Council to save the pool and gym from closure when the planned new leisure facilities opened in Didcot. He made the following points:

- The Wave had been starved of investment
- The older established areas were ignored in terms of investment and facilities
- The current users of the Wave would not be able to access the new facilities due to a lack of transport and mobility issues
- The Wave offered a family fun environment as opposed to the planned Olympic type facility
- The Wave delivered a profit
- Didcot could support the Wave and the new leisure facility
- Do not forget the older established areas of the district

Mrs E Hards moved and Mrs M Davies seconded the following motion:

"That South Oxfordshire District Council welcomes its first petition as a sign of community engagement with our work.

Council acknowledges the popularity and strength of attachment and brand loyalty shown towards the Wave.

Council recommends Cabinet consult widely with Didcot residents and those living within a 10 mile radius of Didcot on plans for Didcot Wave before any decisions are taken on its future and brings any proposals about the new Didcot Leisure Centre mix of facilities to Scrutiny Committee before making decisions that could impact on Didcot Wave".

In supporting the motion a number of councillors noted the success of the Wave in terms of footfall, profitability and performance against the industry benchmarks. Reference was made to the leisure and sports facilities strategy, agreed by Cabinet at its meeting on 3 March 2013, in which references are made to the replacement of and potential disposal of the Wave.

RESOLVED:

That South Oxfordshire District Council welcomes its first petition as a sign of community engagement with our work.

Council acknowledges the popularity and strength of attachment and brand loyalty shown towards the Wave.

Council recommends Cabinet consult widely with Didcot residents and those living within a 10 mile radius of Didcot on plans for Didcot Wave before any decisions are taken on its future and brings any proposals about the new Didcot Leisure Centre mix of facilities to Scrutiny Committee before making decisions that could impact on Didcot Wave.
