## Background

4. The CIPFA Code of Practice for Internal Audit in Local Government in the UK 2006 states that the head of internal audit should prepare a risk-based audit plan, which should outline the assignments to be carried out and the broad resources required to deliver the plan.
5. The CIPFA Code also states that the audit committee should approve the annual internal audit plan and monitor progress against the plan. This Committee approved the annual internal audit plan on 19 March 2013.

## Management issues

6. Recruitment for a new auditor will commence in January 2014 with the intention of having the successful candidate in post for April. Adrianna Partridge will be involved in the recruitment.

## Progress against the 2013/2014 audit plan
