

## **CGR 7**

### **Parishes Affected**

Clifton Hampden

### **Matter to be considered**

Increase the number of parish councillors to seven

### **Impact on district and county council boundaries**

None

### **Summary of parish council responses**

Clifton Hampden parish council requested the increase, "to give them capacity to embrace additional powers under the Localism Act".

### **Summary of other responses**

None

### **Recommendation**

To increase the number of councillors for Clifton Hampden parish council to seven.

### **Justification**

The National Association of Local Councils recommends that parish councils representing up to 900 electors have seven representatives. The electorate of Clifton Hampden is roughly 550, so the working group is happy to support the proposal.
