Parishes Affected

Sonning Common, Eye and Dunsden

Matter to be considered

Reviewing the boundary of Sonning Common, Kidmore End and Eye and Dunsden parishes at the junction of Kennylands Road and Peppard Road

Impact on district and county council boundaries

None

Summary of parish council responses

Sonning Common parish council put this proposal forward. It suggested a small adjustment to the boundary to put all of the land within the triangle created by the Kennylands Road/Peppard Road junction in Sonning Common parish. This would include the land on which the village name board stands. The parish council currently tends all of this land.

Summary of other responses

None

Recommendation

To change the current boundary between Sonning Common and Eye and Dunsden parishes in the vicinity of the Kennylands Road/Peppard Road junction.

Justification

This is a very minor change that the working group is happy to support.
