### 5 Joint statement of licensing policy

Councillor Stephen Harrod declared a non-pecuniary interest in this item as he was Chairman of the Great Milton Community Pub. As the item related to the whole policy he took part in its consideration.

The committee considered the head of legal and democratic services' report which set out a new joint statement of licensing policy. The current policy came into effect on 7 January 2011 and was subject to statutory review every five years.

There had been substantial legislative change affecting the Licensing Act 2003 and the current policy was out of date in a number of key areas. The changes were statutory in nature and had already been enacted.

The new statement of licensing policy was far less structured than the previous format. This was to ensure that the policy remained relevant in the light of further proposed changes to the Licensing Act 2003 and its associated legislation and regulations.

There had only been one response to the public consultation. This was from the councils' Environmental Protection team who had no adverse comments on the proposed policy.

In addition to the statutory consultation the councils' sought a legal opinion on the revised policy from James Button and Co, a solicitor specialising in licensing matters. Mr Button undertook an analysis of the proposed policy and recommended a number of detailed changes to improve the document's clarity and integrity.

**RESOLVED:** to recommended to Council to:

- (i) adopt the Joint Statement of Licensing Policy.
- (ii) authorise the Head of Legal and Democratic Services to make minor editorial changes to the Joint Statement of Licensing Policy.
- (iii) authorise the Head of Legal and Democratic Services to publish the Joint Statement of Licensing Policy in accordance with the Licensing Act 2003.

## **6 Gambling policy**

Councillor Kevin Bulmer declared a non-pecuniary interest in this item as he was a shareholder in a company which were the landlords of a bookmakers' premises in the district. He left the room and took no part in the debate or voting on this item.

The committee considered the head of legal and democratic services' report which set out proposed amendments to the joint gambling policy. The policy was subject to statutory review every three years with the next review due by 31 January 2016.

There were only two significant changes to the gambling policy both of which would be legal requirements in 2016:

- a) Local Area Profiles: this placed a requirement on all local councils to publish information on their areas with regard to geography, population information and economic data. This information was there to allow operators of gambling businesses to complete risk assessments of their operations.
- b) Operator Risk Assessments: all operators of gambling businesses must complete a risk assessment of their activities and operations on the local area within which they are based.

There had only been one response to the public consultation. This was from the Association of British Bookmakers (ABB) via their solicitors, Gosschalks. The changes requested by the ABB were minor in nature but did provide some additional clarification without impacting upon the council's policy direction and aims.

The low level of consultation responses demonstrated that the policy could be recommended for adoption subject to the identified responses and minor wording changes set out in the report which had been incorporated into the policy.

**RESOLVED:** to recommend Cabinet to recommend Council to:

- (i) adopt the proposed Joint Gambling Policy.
- (ii) authorise the Head of Legal and Democratic Services to make minor editorial changes to the Joint Gambling Policy.
- (iii) authorise the Head of Legal and Democratic Services to publish the Joint Gambling Policy in accordance with the Gambling Act 2005 (Licensing Authority Policy Statement)(England and Wales) Regulations 2006.

The meeting closed at 2.30 pm
