## **7 District wide community governance review**

At its meeting on 29 October 2019, the committee considered, and agreed, a proposal to commence a district wide community governance review in Spring 2020 to allow for any changes to be implemented for the 2023 elections. The committee requested that officers submit a timetable for the review.

Before work began on the review, it became clear that the government intended to publish a Devolution White Paper which was expected to set out proposals for local government reform including unitary authorities. A community governance review would therefore have been premature. The current Covid pandemic has also impacted on resources to undertake such a review. A Devolution and Local Recovery White Paper is now expected in Autumn 2021.

Officers therefore propose bringing forward a timetable to the committee once there is greater clarity on the government's proposals. The committee is asked to endorse this approach.
