A meeting of the

Joint Scrutiny Committee

will be held on Monday, 24 January 2022 at 6.30 pm

135 Eastern Avenue, Milton Park OX14 4SB

The public part of this meeting will be broadcasted live. Watch it here:

<https://www.youtube.com/c/SouthandValeCommitteeMeetings>

Members of the Committee: Councillors

South

Ian White (co chair)
Sam Casey-Rerhaye
Stefan Gawrysiak
Kate Gregory
David Turner

Vale

Nathan Boyd (co chair)
Andy Cooke
Amos Duveen
Hayleigh Gascoigne
David Grant

Alternative formats of this publication are available on request. These include large print, Braille, audio, email and easy read. For this or any other special requirements (such as access facilities) please contact the officer named on this agenda. Please give as much notice as possible before the meeting.

Patrick Arran
Head of Legal and Democratic

Agenda

Open to the Public including the Press

1. Apologies for absence

To record apologies for absence and the attendance of substitute members.

2. Minutes

(Pages 4 - 12)

To adopt and sign as a correct record the Joint Scrutiny Committee minutes of the meeting held on 14 September 2021, and to note the notes of the informal meeting on 16 November 2021.

3. Declarations of interest

To receive any declarations of disclosable pecuniary interests in respect of items on the agenda for this meeting.

4. Urgent business and chair's announcements

To receive notification of any matters which the chair determines should be considered as urgent business and the special circumstances which have made the matters urgent, and to receive any announcements from the chair.

5. Public participation

To receive any questions or statements from members of the public that have registered to speak.

6. Work schedule and dates for all South and Vale scrutiny meetings

(Pages 13 - 18)

To review the attached scrutiny work schedule. Please note, although the dates are confirmed, the items under consideration are subject to being withdrawn, added to or rearranged without further notice.

7. Exclusion of the public

To consider whether to exclude members of the press and public from the meeting for the following item of business under Part 1 of Schedule 12A Section 100A(4) of the Local Government Act 1972 and as amended by the Local Government (Access to Information)

(Variation) Order 2006 on the grounds that:

- (i) it involves the likely disclosure of exempt information as defined in paragraphs 1-7 Part 1 of Schedule 12A of the Act, and
- (ii) the public interest in maintaining the exemption outweighs the public interest in disclosing the information.

REPORTS AND OTHER ITEMS BROUGHT BEFORE THE SCRUTINY COMMITTEE FOR ITS CONSIDERATION

8. Future Waste Services

(Pages 19 - 34)

Scrutiny committee to review the report on future waste services, and to provide any recommendations and comments to Cabinet.

Minutes

of a meeting of the

Joint Scrutiny Committee

held on Tuesday, 14 September 2021 at 6.00 pm
at the 135 Eastern Avenue, Milton Park OX14 4SB

Open to the public, including the press

Present:

Members:

South Oxfordshire District Councillors: Sam Casey Rerhaye, Kate Gregory, Jane Murphy and David Turner

Vale of White Horse District Councillors: Nathan Boyd (Chair), Andy Cooke, Amos Duveen, Hayleigh Gascoigne and David Grant

Officers:

In person – Candida Mckelvey and Adrianna Partridge

Remotely – Patrick Arran, John Backley, Harry Barrington-Mountford, Jayne Bolton, James Carpenter, Pat Connell, Liz Hayden, Simon Hewings, Suzanne Malcolm, Catrin Mathias and Ian Matten

Also present remotely: Councillor Matthew Barber and Councillor Simon Howell as speakers

Cabinet members Councillors Robin Bennett (remotely) Andrew Crawford (remotely) Leigh Rawlins (remotely) David Rouane (in person) and Catherine Webber (remotely)

Other councillors and officers were present remotely to view

Also present: Biffa representatives Francis Drew and Andrew Dutton. Saba representatives Andy Marr and Nigel Griffin.

Sc.46 Urgent business and chair's announcements

No urgent business, but chair ran through housekeeping matters.

Sc.47 Apologies for absence

Apologies were received from Councillors Ian White and Stefan Gawrysiak.

Councillor Jane Murphy was in attendance as a substitute member, in place of Councillor Ian White for this meeting.

Sc.48 Declarations of interest

None.

Sc.49 Minutes

The Joint Scrutiny Committee minutes of the meeting held on 16 November 2020 were agreed as a correct record, and the chair will sign them as such.

Sc.50 Work schedule and dates for all South and Vale scrutiny meetings

The committee reviewed the work programme, and members were encouraged to let the relevant chair know if they want anything added or changed.

Sc.51 Public participation

Councillor Matthew Barber spoke to the committee. He was speaking regarding the Biffa performance report. In particular, the grading of the reports – see page 192, the rating for 2019-20 satisfaction.

The understanding Councillor Barber had from the report was that Head of Service determines customer and council satisfaction – how does the council determine customer satisfaction objectively, as he was surprised to see a level of satisfaction maintained where the service performance had been lower. What was the methodology?

Chair confirmed that this question would be answered within the Biffa annual performance report item. Councillor Barber was content with this.

Councillor Simon Howell also registered to speak and chose to address the meeting in confidential session.

Sc.52 Retrofitting Homes Task and Finish Group

Councillor Sam Casey-Rerhaye introduced the report from the Joint Retrofitting Homes task and finish group.

Councillor Casey-Rerhaye briefly explained the methodology for why this report was created. There was concern that the green homes grant from central government wasn't working well, and a task and finish group was set up to investigate why, and how the district councils can utilise such schemes more productively.

The green homes grant was shortly withdrawn. We looked at retrofitting homes in particular to save carbon emissions and running costs for homes. We have had very informative discussions with interested parties, such as OxLEP. We propose projects in the report for council to consider. We ask scrutiny if we should take it through CEAC/CEEAC, and what next steps should we take?

Chair recommended that officers comment on the report, then pass it onto CEAC/CEEAC and then onto Cabinet.

Members felt that it should go to CEAC/CEEAC.

A member raised funding is an issue. The proposals require money. Chair felt that this was why officers should look at the report to find ways forward.

The report mentioned that 3,000 homes needed to be retrofitted a year by 2030. This was ambitious but in line with previous recommendations and in line with South Oxfordshire's targets (when the group became a joint project). It was explained that it was not just funding, but the skill set to complete the works and the desire for construction parties to get involved, staff and resource implications. The report outlined these barriers so we can be prepared for when more funding becomes available.

Officers will be able to give realistic expectations when reviewing the report, prior to moving onto CEAC/CEEAC.

Resolved:

To send the Retrofitting homes report to officers for review, before sending to CEAC/CEEAC, who can advise Cabinet on next steps.

Sc.53 Strategic property review

This item was introduced by Cabinet member, Councillor Robin Bennett from South. Also present was Cabinet member, Councillor Andrew Crawford from Vale.

The paper discussed next steps, including approval of a disposal strategy. This was an ongoing continuous process to align action plans and corporate plan objectives, such as climate emergency. This was a major piece of work for officers involved, as the data received from Vinci was in poor condition.

The report included the process for receiving assets from developers, from developer contributions, to manage this in line with the strategic property review, and work with communities when they want to take on bigger community assets.

Every 3 months, an Asset Management Group will sit together to review assets and approve the disposal strategy. It will include officers and Cabinet members from property. Recommendations from the property team will be reviewed in line with corporate priorities. The group will report back to Cabinet briefing and the group will consult relevant ward members when a new asset was due to be approved.

The disposal strategy will allow best use and best value for public assets.

Councillor Crawford commended the report as a very good step forward for the councils. Officers involved were thanked by both Cabinet members. There were two separate asset management groups for both councils. Vale did learn a lot from the Old Abbey House disposal. We welcome this disposal policy, and the lessons learned are reflected in it.

The committee asked questions of clarification on the report.

Councillor Bennett added that larger scale items will still come to Cabinet and/or Council. Social value calculators that exist will be looked at for our use in future. Councillor Crawford added that GIS training has been requested for councillors.

The report was highly commended, and officers were thanked.

Sc.54 Saba car park contract - performance review

Cabinet member, Councillor David Rouane introduced this report.

This paper was only relevant to performance of car park operators over the period of 1 April 2020 to 31 March 2021.

The report followed the standard template for assessing performance:

1. KPIs
2. Council satisfaction
3. Customer satisfaction

South Oxfordshire District Council and Vale of White Horse District Council – Joint Scrutiny Committee minutes

4. Summary of strengths and areas for improvement and contractor feedback **Agenda Annex**

This was the second year of the contract with Saba.

For KPIs, the pandemic did impact some measures due to staffing issues to manage the infection, therefore impacting customer service.

Customer satisfaction surveys were distributed but only 4 were returned. No complaints were made. Surveys were given with direct communication, not on issuing a fine. This response may be improved.

Council staff raised concerns over Saba risk assessments, but gave good overall feedback on staff, who were viewed as collaborative, even during the pandemic, and friendly. Good flexibility at short notice – during the pandemic, Saba provided car parking spaces for the NHS and special permits.

Improvement needed on high staff turnover. Paper systems that were in place were not effective for home working – this will be worked upon. The overall performance was rated as good.

The committee asked questions on the report. There was discussion about ways to reach more customers to gather feedback on the service. There was a suggestion that a section on climate implications should be added to report templates. It was responded that the performance report was a different template and that may be why. Officers will look to update all forms of report.

Sc.55 Biffa annual report 2020

Cabinet member for Vale, Councillor Catherine Webber introduced the report.

Also present was Cabinet Member Councillor David Rouane for South.

This report was for calendar year 2020. Chair reminded the committee that discussion was on 2020 performance only.

The joint contract provides household waste collection, recycling, food collection services, and other services by household subscription such as garden waste and clinical waste.

Other services include street cleansing, dog waste bins, litter fly tip and graffiti removal. A call centre service operates.

The standard performance report was used. During 2020, performance was good despite challenges of the pandemic, and waste services were continuing. There was an impact on performance from the previous year. Less than 5% of waste was sent to landfill. We were in top 5 English councils for recycling. The area for concern was missed bins and incomplete rounds, mainly due to staff turnover issues, trouble recruiting and covid related absence. Loss of staff knowledge was a concern.

The assessment overall was good for 2020 despite covid related difficulties.

Comments and questions were raised on the report.

Biffa achieved well during 2020 considering the pandemic. Thanks were given for quick response to fly tipping. There were press releases also to remind the public that fly tipping was always prosecuted.

It was suggested that a target should be in line with overall aim to reduce waste. For example, recycling levels were increased due to for example, Amazon packaging. This ups the recycling waste amount, but we don't really want that. It was responded that this was an historic KPT, recycling is now a last resort. Reusing and reducing were hard to measure and wouldn't fall into Biffa's remit. Measures were discussed generally, and another suggestion was whether we could have a KPT for repeat missed collections – particularly for the same houses. This was a subject of frustration from customers. Officer responded that it was a good point. Despite no KPT, the situation was tracked, and default notices issued for repeat missed collections.

Councillor Barber's question was answered as follows:

We don't have use of the residents survey we used to have. The data from that is too old. We can think about this in future. We only had eight complaints one complaint got to stage two and one

went to the ombudsmen and 38 compliments. This is the data we had to make an assessment that the time. **Agenda Annex**

Sc.56 Exclusion of the public

Resolved:

The committee voted in favour of excluding the public to discuss a confidential report

Sc.57 Review of current garden waste provision

The committee discussed the current garden waste / brown bin collection service.

The committee were presented with a confidential report. The committee were informed of the current situation and the work taking place to resume a normal service, under difficult circumstances, experienced across the county and nationally. Committee scrutinised the report and were satisfied with the response of officers working on the issue.

Resolved

That the chair of scrutiny will contact the chair of JAGC to suggest a review of process for bin collections, at an appropriate time in the future, copying in Deputy Chief Executive for Place.

The meeting closed at 8.54 pm

Notes

of an informal meeting of

Joint Scrutiny Committee

members

held on Tuesday, 16 November 2021 at 6.00 pm
Virtual meeting

This meeting was live streamed.

Watch the recording here: <https://www.youtube.com/watch?v=evZFm2G2Wfs>

Open to the public, including the press

Present in the meeting room:

Members:

South Oxfordshire District Councillors: Sam Casey-Rerhaye, Stefan Gawrysiak, Alexandrine Kantor, David Turner, Ian White (Chair)

Vale of White Horse District Councillors: Nathan Boyd, Andy Cooke, Andy Foulsham, David Grant.

Officers: Emma Baker, Karen Brown, Harry Barrington-Mountford, Diane Foster, Liz Hayden, Rona Knott, Candida Mckelvey and Adrianna Partridge

Also present: Cabinet members, Councillors Maggie Filipova-Rivers, Debby Hallett and Helen Pighills. Superintendent Lis Knight.

NOTES

Sc.58 Apologies for absence

Apologies were received from Councillors Hayleigh Gascoigne and Kate Gregory. Substitute members present in place of the absent members were Councillors Andy Foulsham and Alexandrine Kantor respectively.

Cabinet member Councillor Ann-Marie Simpson also sent her apologies. She was due to present at today's meeting on the Joint Statement of Community Involvement item, but Councillor Debby Hallett as Vale Cabinet member was present to introduce the report.

Cabinet members Councillors Maggie Filipova-Rivers (South) and Helen Pighills (Vale) were both present to introduce the item on the Community Safety Partnership.

Sc.59 Declarations of interest

None.

Sc.60 Urgent business and chair's announcements

Chair (Councillor Ian White) informed the committee that he had discussed the sewage and pollution task and finish group with the Chair of Vale scrutiny. Due to the item being of concern to both districts, the group would be a joint effort. The chair would be inviting scrutiny members to participate, envisaging around 6 or 7 members to complete the group. The first meeting would include formation of a terms of reference, including the relevant officers to advise.

Sc.61 Notes of the last informal meeting

The informal notes of the meeting on 13 July 2021 were noted by committee, and no amendments were raised.

Sc.62 Work schedule and dates for all South and Vale scrutiny meetings

Chair updated the committee on the work programmes for South and Vale. Note that the up-to-date versions were published on our websites today. Recent changes included:

The Joint Scrutiny meeting on 28 February had been moved to 31 January 2022, for review of a future waste services item. The GLL items expected in February were being moved to the next meeting, dates to be confirmed, but reports should be ready by the June meeting, which may be moved forward if possible. The performance report would be a joint meeting, but separate meetings for the leisure covid support package for South and Vale would be held.

The Vale scrutiny meeting on 25 November 2021 had since been confirmed as formal. There were other additions, but with no firm dates yet.

Councillor Hallett added updates to the Cabinet member delegation on the programme for Vale – Councillor Hallett will be added as responsible for the A34 item. Councillor Bethia Thomas would be added to the Planning Enforcement Statement.

Sc.63 Public participation

None.

Sc.64 Community Safety Partnership report

Councillor Helen Pighills introduced the report, as Cabinet member for Vale.

Superintendent Lis Knight from Thames Valley Police was present to help answer any questions. Officers present were Liz Hayden, Head of Housing and Environment, Karen Brown, Community Safety Team Leader and Diane Foster, Licensing and Community Safety Manager.

Cabinet member Councillor Filipova-Rivers (for South) was also present to help answer queries.

The report was regarding the work of the Partnership during 2021-21.

The committee asked questions. The committee were informed that further in-depth questions on the Police service could be answered at an upcoming presentation to Councillors.

Main discussion was around different types of terrorism to be aware of such as misogyny. Superintendent added that on terrorism, the police had very clear reporting for different types of hate crime.

The new Domestic Abuse Act was mentioned and the duty of training services on the subject. Officer responded there would be work with Oxfordshire County Council. Councillors were pleased with the sanctuary work for domestic abuse.

There was discussion regarding educating children on exploitation and how effective it was. Officer responded that the project was piloted in a number of schools in Abingdon and Didcot and the children tested their knowledge on the topic. The schools had asked for a continuation of the project as they found it useful. It was viewed as important to evaluate the effectiveness and ensure such projects had a positive impact and not the reverse of the aims.

Discussion on rural crime – the 30% decline in South Oxfordshire was commented on. Superintendent added that a rural crime coordinator was employed to monitor and record crime rates.

A member discussed whether there was feedback on services received, and an officer responded that surveys were issued where appropriate, but some choose to not engage further.

The committee were very pleased with the work of the CSP and felt that the work should be publicised more and have its profile raised.

Resolved:

The committee were in agreement with the recommendations in the report.

Committee noted the progress that the South and Vale Community Safety Partnership (CSP) made in 2020-21 in delivering its priorities and statutory functions.

The committee supported the CSP's view that the 2021-22 plan will continue to deliver core priorities and statutory functions and focus on these three key priorities:

1. tackling domestic violence and abuse, including early intervention to reduce harm and improving services for victims
2. working with vulnerable people and children to reduce the likelihood of being exploited
3. reducing serious youth violence, knife crime and harm and vulnerability caused by drugs and alcohol.

Cabinet members, officers and Superintendent Knight were thanked for their input. The report was viewed as excellent.

Sc.65 Consultation on the draft Joint Statement of Community Involvement (SCI)

This report was introduced by Vale Cabinet member Councillor Hallett. Officers Rona Knott and Harry Barrington-Mountford were present to support.

The Joint SCI was required due to plans to have a joint local plan. It will be a similar format, but an emphasis on digital engagement. 109 people responded to the 6-week consultation. The feedback presented was positive. The officer response was detailed in the report, including suggested changes. This will be presented at Cabinet.

In the discussion, it was suggested that an easy read format should be part of this, and that shortening the document could help some. Plain English was mentioned, reduction of jargon or technical language.

Cabinet member added that all comments are considered in the report and added that a future consideration could be for an email to be sent to tell consultees what happens next after submitting their views. Officers added that future considerations were for an executive summary, and a review of repetition. Potentially removing internal process details that are not needed in the report.

South Oxfordshire District Council and Vale of White Horse District Council – Joint Scrutiny Committee minutes

Another suggestion was to add some diagrams as appendices, to make the document more manageable.

A view was expressed that it was more difficult for planning items to be consulted on digitally, due to the equipment needed to view. Committee was reminded that corporate priorities and the climate emergency mean digital was the way forward. Some areas prefer digital, so it was difficult to meet every need.

Consultation length was discussed, and Harry Barrington-Mountford responded that the length should be in line with the complexity and length of the document being consulted on (as per Cabinet Office recommendation). Therefore, a conversation could be had offline regarding appropriate length of consultation.

Cabinet member reminded that planning was a regulatory and legal process and not entirely democratic, but we could change language to empower people to have an influence on decision making despite the limits of regulation and law.

Resolved:

The committee considered the consultation on the draft Joint SCI and provided their views.

The committee were satisfied that they had reviewed the following recommendations within the report:

- (a) To consider the outcome of the public consultation on the joint SCI.
- (b) To review and consider some suggested amendments to the joint SCI.
- (c) To provide any comments to inform the final joint SCI for adoption.

The meeting closed at 7.37 pm
