# Cabinet Work Programme

## What is the Cabinet work programme?

The Cabinet work programme is a list of the key decisions and other planned cabinet and cabinet member decisions to be taken on behalf of the council.

## What is a key decision?

Key decisions are defined as decisions which, in the view of the relevant Strategic Director, are likely:

- to incur expenditure or to receive income of more than £75,000
- to award a revenue or capital grant of over £25,000
- to agree an action that, in the view of the relevant Strategic Director, significantly affects a community within more than one ward

Officers may also include other items in this work programme on a voluntary basis that do not fit the above definition.

## What does the Cabinet work programme tell me?

The work programme gives information about:

- what key decisions and other planned cabinet and cabinet member decisions are coming forward in the next few months
- when those decisions are likely to be made
- who will make those decisions
- what consultation will be undertaken
- who you can make representations to, and how
- what documents you can ask for
- who you can contact for further information

## Who takes key decisions?

Key decisions are taken by the Cabinet, individual Cabinet members or individual officers acting under delegated powers.

## Exempt or confidential decisions

This work programme gives notice of any Cabinet decisions that are likely to be considered in part of a Cabinet meeting when the public are excluded. It may become necessary during the course of a Cabinet meeting to debate an issue or make a decision in the exempt or confidential part of the meeting. However, the Cabinet must first resolve to exclude the public and give a reason for doing so under Schedule 12A of the Local Government Act 1972.
