## Cabinet work programme

### What is the Cabinet work programme?

The Cabinet work programme is a list of the key decisions and other planned cabinet and cabinet member decisions to be taken on behalf of the council.

### What is a key decision?

Key decisions are defined as decisions which, in the view of the relevant Strategic Director, are likely:

- to incur expenditure, make savings or to receive income of more than £75,000 or
- to award a revenue or capital grant of over £25,000 or
- to agree an action that, in the view of the relevant strategic director, would be significant in terms of its effects on communities living or working in an area comprising more than one ward in the area of the council

Officers may also include other items in this work programme on a voluntary basis that do not fit the above definition.

### What does the Cabinet work programme tell me?

The work programme gives information about:

- what key decisions and other planned cabinet and cabinet member decisions are coming forward in the next few months
- when those decisions are likely to be made
- who will make those decisions
- what consultation will be undertaken
- who you can make representations to, and how
- what documents you can ask for
- who you can contact for further information

### Who takes key decisions?

Key decisions are taken by the Cabinet, individual Cabinet members or individual officers acting under delegated powers.

### Exempt or confidential decisions

This work programme gives notice of any Cabinet decisions that are likely to be considered in part of a Cabinet meeting when the public are excluded. It may become necessary during the course of a Cabinet meeting to debate an issue or make a decision in the exempt or confidential part of the meeting. However, the Cabinet must first resolve to exclude the public and give a reason for doing so under Schedule 12A of the Local Government Act 1972.
