REPORT NO:

Application for a variation of the premises licence for Thame SF Connect, 50 Park Street, Thame, OX9 3HS

Recommendation

That the panel consider the application to vary the premises licence and the representations to the application and decide whether to a) grant the application as applied for, b) grant the application with modified conditions or c) reject the application in whole or in part.

Purpose of Report

1. To present the facts and relevant representations received in respect of an application to vary a premises licence for Thame SF Connect, 50 Park Street, Thame, OX9 3HS, to the Licensing Acts Panel in order that it can determine the application under Section 35 of the Licensing Act 2003.

Strategic Objectives

2. The relevant strategic objective is that of 'Invest in the district's future'. The relevant corporate priority is that of 'reducing crime and tackling anti-social behaviour'.

Background

- 3.1 The Licensing Act 2003 ('the Act') established a single integrated scheme for licensing premises which are used for the supply of alcohol, regulated entertainment, late night refreshment or permission to carry on some or all of these activities. In the Act these activities are referred to collectively as the 'licensable activities'.

3.2 Any assessment of licensable activities must consider and promote the four licensing objectives:

- the prevention of crime and disorder
- public safety
- the prevention of public nuisance
- the protection of children from harm.

3.3 Licences will normally be granted by the licensing officer under delegated powers but in the event of representations being received regarding the grant or variation of a premises licence the application is then referred to the Licensing Acts Panel to be considered.

3.4 An application has been received to vary the existing premises licence. The application form can be found at **Appendix 1**. The current licence can be found at **Appendix 2**.

The application seeks to vary the licence to extend the hours for sale of alcohol, as follows:

Licensable Activity	Current days & times	Proposed days & times
Sale of alcohol	Monday - Sunday 06:00 - 00:00	Monday - Sunday 24 hours a day

No changes are sought to the licensable hours for late night refreshment, which are currently 23:00 - 05:00.

In addition, the application seeks to remove all current non-mandatory conditions from the licence, and to replace with a new set of conditions as detailed within the application form.

3.5 A representation has been received from Thames Valley Police who have asked for the conditions in respect of staff training and a refusal log to be added to the licence. These conditions have been agreed by the applicant, as per **Appendix 3**.

3.6 For ease of reference, the conditions proposed by the applicant in their application and those agreed with Thames Valley Police can be found at **Appendix 4**.

3.7 None of the other responsible authorities have made representations in respect of the application.

3.8 On 27 September 2018 a representation was received from Thame Town Council on the grounds of public nuisance. This can be found at **Appendix 5**.

3.9 On 14 October 2018 a representation was received from a local resident on the grounds of public nuisance. This can be found at **Appendix 6**.

3.10 The blue notice was checked by licensing officers and the newspaper advertisement is attached as **Appendix 7**.

Options

4.1 In determining the application the authority must give weight to:

- representations received from responsible authorities
- representations received from other persons
- the Secretary of State's guidance issued under Section 182 of the Licensing Act 2003
- the council's statement of licensing policy and
- the steps necessary to promote the licensing objectives

4.2 In view of the above, the panel is requested to consider the application for the variation of the premises licence and decide whether to:

- (a) grant the application as applied for,
- (b) grant the application with modified conditions or
- (c) reject the application in whole or in part

Financial Implications

5 Should the applicant or any other person wish to appeal against a decision of the council, they may do so to the Magistrates' Court. The council would incur costs should this occur, although the court may decide to award costs if the council's decision was upheld.

Legal Implications

6.1 The Human Rights Act 1998 requires public bodies to ensure everything they do is compatible with Convention Rights and makes it unlawful for a public authority to act incompatibly with those rights. When determining whether to grant the application the panel will be aware of human rights considerations, specifically Part 1, Article 6, the right to a fair trial, Part 2 and Article 8 the right to respect for private and family life for those making representations.

6.2 The hearing of all applications is subject to the principles of natural justice.

6.3 Section 17 of the Crime and Disorder Act 1998 states, 'without prejudice to any other obligation imposed on it, it shall be the duty of each authority to exercise its various functions with due regard to the likely effect of those functions on and the need to do all that it reasonably can to prevent crime and disorder in its area'.

6.4 Under Schedule 5, Part 1 of the Licensing Act 2003, any person aggrieved by the decision in respect of the application may appeal to a Magistrates' Court within 21 days of the date of the decision.

Conclusion

- 7 This report provides information submitted by the applicant, responsible authorities and other persons. The panel must determine this application with a view to promoting the four licensing objectives. It must, having had regard to all the relevant objections made and the evidence it hears, a) grant the application as applied for, b) grant the application with modified conditions or c) reject the application in whole or in part.

Subject: Variation to a Premises Licence Application - Thame SF Connect, 50 Park Street, Thame

Hi

Thank you for the opportunity to respond to the Variation to the Premises Licence Application for Thame SF Connect. The application was discussed at the Planning & Environment Committee meeting on Tuesday 25 September 2018, at which it was agreed to submit the following response:

- a) Object to the proposed increase in hours to allow 24 hour Alcohol Off Sales. The premises are located in the middle of a residential area, it is considered unnecessary and inappropriate to sell alcohol between midnight and 6am given the location; the extended licencing hours will result in unneighbourly disturbance and public nuisance.
- b) Clause 4 of existing Annex 2 related to the display of signage must be retained.

Regards
Andrea

Subject: BP Oil UK Limited

Dear Sir / Madam,

I am writing to strongly object to the application for a 24 hour alcohol license at the Thame BP / M&S in Park Street, Thame, OX9 3HS.

The petrol station and store frequently attract gatherings in the evenings and overnight, particularly after pub closing time, who at times engage in noisy behaviour, causing disturbance to nearby residents. We live opposite the garage and frequently have our sleep disturbed, particularly over the summer.

To extend the license to 24 hours will only exacerbate the problem and will be very disruptive to the neighbourhood which is predominantly residential, with a large proportion of families (mainly houses, rather than flats, with John Hampden primary school within 100m).

Yours sincerely,

Paul Gardner
