## Addendum to Cabinet Report on South Oxfordshire Local Plan 2035

Since the Cabinet Report was published, a further Technical Note has been received from the Council's Sustainability Appraisal consultants. As an update and clarification, the Cabinet Report is amended to reflect this as follows:

### Insert new paragraph 11a to Cabinet Report and a new Appendix G

- 11a. Sustainability Appraisal (SA) and Habitats Regulations Assessment (HRA) have been undertaken at all key stages of the Local Plan's development, and have shaped, tested and influenced the Plan. This week the Council's sustainability appraisal consultants Wood completed a final addendum to the SA Report on the Local Plan. Appendix G summarises and signposts to both the SA and HRA for Councillors' consideration in the adoption decision in accordance with the Environmental Assessment of Plans and Programmes Regulations 2004.
