Recommendations and updates from other committees to Cabinet on 3 February 2022

Below are updates from other committees to South's Cabinet meeting on Thursday 3 February.

Climate and Ecological Emergencies Advisory Committee

The Climate and Ecological Emergencies Advisory Committee met on 11 January to reports on the **climate action plan**. The committee **recommended that Cabinet recommends adopts the climate action plan**. A report on this matter appears on Cabinet's agenda.

The committee discussed other climate emergency matters but made no further recommendations to Cabinet. The committee's minutes are published on the council's website.

Joint Scrutiny Committee

The committee met on 24 January to discuss the future of waste services. An update will be given in the exempt session later in the meeting.

Joint Audit and Governance Committee

The committee met on 25 January to discuss:

- The **treasury management strategy for 2022/23** – the committee has recommended that Cabinet recommends to Council to approve the treasury management strategy (see the report on the Cabinet agenda).
- The **future provision of external audit services** – the committee supported the recommendations set out in the report (see the report on the Cabinet agenda).
