I am writing to you on behalf of Cuddesdon and Denton Parish Council, as part of the consultation process, to comment on the proposed amalgamation of the Cuddesdon and Denton wards into a single ward.

The Parish Council made the original application for this change to take place, and they still wish it to be done.

The reasons are as originally given, particularly that the parish councillors will represent all electors within the parish, that electors will be able to vote for their preferred candidates from the whole community, and that the election process will be simplified.

Sincerely

Mike Mount
Clerk, Cuddesdon and Denton Parish Council
