

**Appendix A – Proposed hackney carriage fares which went out to consultation**

We have used the figures from the tariff set by Vale of White Horse District Council in 2014 and adjusted to take account of inflation since that date. This is because research has indicated there is little difference in living costs between the two council areas. The CPI increase since 2014 is 17.5%. Using this percentage rounded to the nearest 5p produces the figures as below.

There are three proposed tariffs depending on time of day, day of the week and holidays as shown in the below table:

<b>For any journey starting:</b>	<b>The tariff level is:</b>
06:00 - 22:59	<b>Tariff 1</b>
23:00 - 01:59	<b>Tariff 2</b>
All day on Sundays, Bank Holidays, Public Holidays and Easter Sunday	
20:00 - 23:59 Christmas Eve and New Year's Eve	
02:00 - 05:59	<b>Tariff 3</b>
