

## Appendix Two – Recommended Additional Award Conditions

### **SCAP22-23\100012 Wheatley Parochial Church Council**

- Discussion with the equalities officer to take account of feedback provided, before releasing the funds

### **SCAP22-23\100022 Holton Parish Council**

- Applicant to present evidence of the equipment provided for disabled users prior to funding being released for the project

### **SCAP22-23\100050 South Moreton Parish Council**

- The path be constructed using sustainable or recycled materials for the paving and using a local source to minimise the carbon emissions from transportation.
- Evidence of revised project costs be provided, along with evidence of all funding being in place prior to any grant payments being released.
- The layout of the path be considered so as not to remove more green space than necessary.
- Agree the width of the path with the council's equality and inclusivity officer (07598 545906) to ensure accessibility needs are met.

### **SCAP22-23\100040 Wallingford Sports Trust**

- No funding is to be released until formal consent for the project is granted by SODC properties team as freeholder

### **SCAP22-23\100054 SOFEA**

- Funding awarded for the purchase of computers / laptops, not IT infrastructure.

### **SCAP22-23\100055 Berinsfield Parish Council**

- The parish council carries out a full energy audit on the pavilion to fully understand where savings could be made.
- First payment to be released when evidence has been provided that all funding for the project has been secured.

Recommendation only - The Parish Council may wish to consider direct wire selling of the electricity generated by the solar panels, as this can be a more lucrative

resale option than selling back to the grid. An organisation such as Low Carbon Hub may be able to advise more.

**SCAP22-23\100061 Beckley and Stowood Village Hall CIO**

- The applicants should be mindful of the issues disabled users could face when accessing the charging system – discuss any reasonable adjustments with the council’s equality and inclusivity officer (07598 545906)

**SCAP22-23\100047 Stanton St John Parish Council**

- The applicants should be mindful of the issues disabled users could face when accessing the charging system – discuss any reasonable adjustments with the council’s equality and inclusivity officer (07598 545906)

**SCAP22-23\100062 Clifton Hampden and Burcot Sea Scout Group**

- Evidence of all funding for the project should be provided prior to any grant payments being made.

**SCAP22-23\100051 Warborough Parish Council**

- To submit revised plans by 1/8/2023, taking account of the guidance from ECB ‘Creating-welcoming-environments’ and the Equality Act, wherever possible. That deliver the outcomes of increasing women’s participation in cricket, appropriate male and female changing/showers/toilets, an accessible toilet and hireable space. 50 per cent of the funding to be released when building regulations approval (if required) has been granted, and all funding for the project has been secured.
- Prior to any final grant payment being released the pavilion must be advertised for general hire on the Parish Council’s website and other relevant publications within the village.
