

Notice relating to a forthcoming Cabinet decision

Procurement of network infrastructure

This is a key decision required to be taken shortly by the Cabinet member responsible for IT. The decision has not previously been included in the Cabinet work programme and advertised 28 clear days in advance.

The decision, if confirmed, would authorise the council to enter into a contract to procure network infrastructure. It was not placed on the Cabinet work programme as the costs now appear to be higher than first estimated.

The council is required to notify its Scrutiny Committee chairman of the intention to make this decision.
