| 1 | Increase the corporate projects officer post to full time | This part time post is currently 50:50 with South and deals with projects such as councillor development, assets of community value etc.The hours are insufficient to deliver the work allocated. We received new burdens money for the assets of community value work for three years totalling £13,420 (for both councils) each year, but in the past two years we had not spent it. However now the number of assets coming through requires additional resource to manage the work load. | Ongoing | 10,287 | 10,287 | 10,287 | 10,287 | 10,287 |
| 2 | Refuse - Increased refuse collection payments to Biffa. | Increased refuse collection payments to Biffa for additional properties. Based on a predicted ongoing annual increase of 762 properties. The estimated 762 properties is calculated from this years actual increase in the first five months of 357 and a predicted increase of 405 for the remainder of this year. A growth of 212 properties per year is already in the budget so the bid is for a further 550 only. | Ongoing | 17,455 | 34,910 | 52,365 | 69,820 | 87,275 |

| 6 | Bulky Waste - Increased waste collection payments to Biffa. | Because OCC have commissioned the incinerator we have had to change the collection of bulky waste items from weekday collections to weekends. This means we have to pay the crews to work the weekends. The alternative is to continue collecting during the week but this would mean we have to buy additional vehicles and pay for additional drivers. In addition there has been an increase in clinical collections. | Ongoing | 47,839 | 47,839 | 47,839 | 47,839 | 47,839 | |

| 7 | Funding for tree works | Funding to address works identified as required through the tree surveys undertaken throughout 2014/15. This would be required for two years to deal with the backlog of works and then be reduced for subsequent years. The risk to the council of not doing this work is liability for insurance claims for subsidence and potential damage to property, there are also potential H+S issues if we do not manage our trees. | Ongoing | 10,000 | 10,000 | 10,000 | 5,000 | 5,00 | |
