Dear Sirs,

I wish to object to the late opening hours of the new Domino Pizza, 19 – 19a High Street Thame. Thame High Street is home to many residents and as such the proposed extended late hours of opening are very likely to cause a noise disturbance during sleeping hours. As this is a take-away business, there will be the inevitable commotion from late night customers collecting plus the constant movement of vehicles both from customers and Domino delivery vehicles with unavoidable engines noise and door slamming.

The opening hours of the restaurant previously housed at this address were much reduced and as such did not cause a problem.

Whilst writing, I would like to ask that steps have been taken to ensure that there will be sufficient receptacles for depositing waste materials. The residents of Thame High Street are very proud of its well kept clean environment and potential litter from a take-away pizza house would have a detrimental effect on all Thame residents.

I trust you will note these fervent comments when considering the application.

Yours faithfully

Rita Woodman
