24 High Street
Thame
OX9 2BZ

Dear Licensing Officer

Would you please note my strong concerns regarding the application by DOMINOs Pizza for late night opening until 01.00.

Thame High Street is, as you know, an ancient settlement and is a mix of commercial and residential properties.

We share the same Post Code as DOMINOs and are located just a few steps away from their shop.

Living in the town centre, we are pleased to see successful businesses and acknowledge there will be some disturbance at times. We simply ask for some give and take in this and request that very late opening hours, such as in this application, are declined.

We would be willing to tolerate moderately late opening, such as 11pm during the week and 11.30pm on Saturdays.

This would broadly align with the opening hours of the Indian restaurant previously at this address.

Litter from fast food is also a concern and we would ask that you specify that DOMINOs provide bins on their frontage area.

Thank you for considering these points.

Yours faithfully,

John Scott
