COI	RPORATE STRATEG	Y & WASTE											
1	Disabled Facility Grant	The DFG budget had £150,000 temporary growth bid which was removed from the budget in 14/15. The current £800,000 budget is under pressure because of increased demand for DFG adaptions and higher building costs. If this growth bid is rejected a waiting list may have to be introduced next year.	75,000	75,000	75,000	75,000	75,000	0	0	0	0	0	
2	New website	We need to upgrade the content management system that drives our websites for security reasons. Websites have a shelf life of about 4-5 years and ours are now four years old. Tackling the security issue without giving them a fresh new look and improving the navigation would be a significant missed opportunity given the cost of just upgrading the content management system	25,000	0	0	0	0	0	0	0	0	0
